TOWN NEWSLETTER

MESSAGE FROM THE TOWN:

News from Public Works department – The Manzanita Trail project continues to move forward. Stone steps have been installed at the trail entrance on Aspen Road. The restroom facility has been ordered and the Public Works crew will begin prepping the site, once site plan is approved. The Town water main extension projects on Sandstone Work on Sandstone is expected to begin late the week of July 4th thru the week of July 11th. Construction traffic up and down the hill continues and Brian Head appreciates your patience as the town continues with improvements all over town.

Please welcome Brian Johnson, the new Parks & Trails/Public Works employee, to the Public Works crew. Brian joined us in June. He is a great addition to the team.

Congratulations for 5-years of working for the Town of Brian Head goes to: Danny Abbott, BH Public Safety. Danny was also promoted to Assistant Fire Chief for Brian Head town. Also recognized were: Kasey Hatch and Rex Rose for their 5 years of service in the Public Works department.. Each man was given an award by the Mayor and Dan Benson, BH Fire Marshal.

The new steps for the Manzanita Trail.
