

MESSAGE FROM THE TOWN:

AAHHHH...Summertime! While for many of us, it means longer, warmer days, barbeques and outdoor adventures....for the Public Works department it means all hands on deck to start and finish projects before summertime is over. First, Public Works would like to welcome Nick Wallis as the new full-time Public Works Operator. If you see Nick out in public, be sure to congratulate him on his new position with the Town. Also, Public Works would like to give a big THANKS and shout out to the residents and visitors to the Town that follow the Town's rules for dumpster use and snow removal. Your efforts to help Public Works operate quickly and efficiently does not go un-noticed by the operators. Lastly, it is going to be a busy year not only for Town construction projects, but also with the increased amount of private project activities. Public Works would like to ask residents and visitors to please be patient with the truck traffic up and down the canyon as well as, the uptick in construction activity that will be evident all thru this summer season. If you are interested in the upcoming projects that Public Works will be doing, please call our front desk, 435-677-2029, to request a list be sent to you.

The Town will be having our annual Town cleanup on Wednesday, May 25th from 9a-1p. This is a great event to get outside and catch up with your friends and neighbors; and make Brian Head beautiful. Stop by Town Hall to sign-up, get your gloves and trash bags. Lunch will be at the Public Safety Building starting around noon. All ages are welcome to participate.

ANNOUNCEMENTS:

- Reminder - Community Yoga Class at Public Safety building. Every Wednesday from 12-1p. All levels welcome. No charge. Wear comfortable clothing; bring a mat if you have one. Contact Kelly Marshall for more info at 435-592-5431.
- Stop by the Town Hall and take home a transparent poster of Brian Head. In our spring cleaning we found some winter posters. 1 per person. FREE while supplies last.
